

EXT OPEN FIELD - DAY

The TRAVELER and PAIMON are walking down a path in an open field. There is a slight hill with a glowing red door in the middle of it

PAIMON

Wow that is weird a door just sitting there.

TRAVELER

Yes Paimon it is and it's glowing and pulsating red. What do you think we should do?

PAIMON

Maybe you should check it out. What's the worst that could happen? And I am sure whatever it is we can handle it.

EXT UP THE GRASSY HILL

The traveler and Paimon are standing in front of the glowing red door and as the traveler reaches for the handle it fades away and they disappear.

EXT CENTER OF TOWN NEXT TO THE FOUNTAIN - AFTERNOON

Paimon, the traveler, Rose, Blossom, and Sage are standing next to the fountain with people milling around going into shops. The skies are clear and everyone is happy

ROSE

I don't know how to thank you for coming to our aid.

(Both Sage and Blossom nod)

SAGE

It was fun fighting with you if you ever come back this way look us up.

BLOSSOM

I underestimated you. Thank you. Let me know if there is anything you need.

TRAVELER

Actually, I am looking for my brother. So I have to ask if you have seen anyone that looks like me?

(All three look at each other and Rose nods)

ROSE

We did see someone like you a long time ago. And honestly soon after we saw him strange things started happening so we forgot about him. I would say he was going to the sea so south. But if you are ever in the area. Come find me you have a home here.

EXT DIRT PATH SURROUNDED BY MOUNTAINS - CONTINUOUS

Paimon and the traveler are walking down the lane with their backs to the camera.
